Pharmacist Continuing Education Information

Syntax Communications, Inc. is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Syntax Communications has assigned **13.25** contact hours (**1.325 CEUs**) of continuing pharmacy education credit for this knowledge- and application-based activity. This 2-day conference will incorporate **14** individual activity sessions that combined will fulfill the **13.25 hours** of CE. The target audience for this accredited activity is pharmacists.

To receive continuing pharmacy education credit for the conference, participants must attend the sessions in their entirety and complete the associated program evaluation forms. Additionally, all US-based pharmacists must supply their National Association of Boards of Pharmacy (NABP) electronic Profile Identification (ePID) number and their birth month and day (MM/DD). No credit can or will be issued without this information. To acquire an NABP ePID, go to <http://www.nabp.net> and click on CPE Monitor.

The Evaluation Survey must be completed within 30 days from the date the live program is completed in order to receive continuing education credit. Your NABP ePID number and date of birth (mm/dd) must be correctly provided. If incorrect information is uploaded into CPE Monitor and not rectified within 60 days of the program, a \$225 fee will be charged as mandated by the ACPE. Please make sure your NABP ePID and date of birth(mm/dd) are correctly provided at the time you submit your program evaluation.

Program Evaluation Forms

The 2018 BMT Tandem Meetings online Evaluation Program is now open through Tuesday, March 27,2018. If you wish to claim continuing education credit, you may access the evaluations through the Mobile App or [Online Agenda](#). Once you access the mobile app or online agenda, please create an account and sign in using the same email address you used during the registration process (using an alternative email address will preclude you from accessing the evaluations). Once you have successfully logged in, select sessions attended to complete evaluations. Sessions with available evaluations will be marked with the following icon:  [Evaluation Available](#) . Once you see this icon, click on the Session Title to access the Evaluate button.

Once the Session Evaluations are complete, be sure to complete the “Overall Meeting Evaluation”. Credit will not be issued without completion of the “Overall Meeting Evaluation”. Please be sure to download your certificates from the “Certificate Summary” tab once both the overall meeting and session evaluations have been submitted.

Requests for Certificates after March 27 will incur a \$60 processing charge. An electronic copy of the Certificate will be filed with the Medical College of Wisconsin. **Certificates will not be mailed.**
